Residents will also have access to the park, which was designed by landscape architects HMWhite. The park features a children’s playground, dog park, bocce court, barbecue grills, picnic tables and ping-pong tables.

A five-story, 45,000-square-foot amenity clubhouse dubbed The Club at Jackson Park overlooks the park and includes a spa, sauna, steam rooms, a meditation lounge and changing rooms. The fitness studio at The Park was curated by fitness expert Jay Wright and residents will have access to 21 gym classes per week.

It also includes a 75-foot indoor pool and basketball/volleyball and squash courts. The rooftop features an outdoor pool and hot tub with cabanas.
